“ John will be missed deeply. I always was glad to see him when he dropped his equipment off for repair at JB Enterprises (Bentley Saw Shop). He always had a smile and a jolly laugh. He was a inspiration to all in his community. May God comfort Mrs. Jane and family.

“ I was very saddened to hear of Mr. JOnes death. It was an honor to get to know him through the Shelby County Fair. I will greatly miss working with him next year. He has helped our music program greatly and in turn boosted our students self esteem through their performances at the fair. Our thoughts and prayers are with you! God Bless!

“ Ms. Jane, We will be praying for you and your family! We have only lived in Columbiana for a few years, but John's impact on this community was so very obvious from the moment we moved here. Much is owed to him for his tremendous commitment to others. We will continue to reap the benefits of his tireless work for years to come. He truly made Columbiana a better place to live. With sympathy and thanks, Zack, Brandi, Walker and Campbell Kellis

“ My wife Eve and I wish to extend our sympathy and deepest condolences on the passing of Mr Jones. I never had the pleasure of meeting him however, I work closely with his son Ken and have met his brothers on several occasions and I can say they are truly a testament to the terrific individual he surely was. During this time I'm sure he would want you to draw on the strength of your family and your strong faith in God to help you move past the sorrow and enjoy the wonderful memories you have of him. Our thoughts a prayers go out to the entire family. Sincerely, Eve & Skeet King

“ John was such a nice man and I will never forget him. One summer on our pontoon boat ride at 4-H camp the motor quit. We tried to flag down fishermen in a bass tournament. Everyone of the boats kept speeding by and we thought we would have to paddle 30 kids across the widest part of the lake. But finally a couple of young men recognized John and towed us to the other side. He was a joy to work with and I know you all will miss him terribly.

“ Mrs. Jones and Family, I have just returned from being out of town and was saddened to read in the paper of Mr. Jones death. I have worked for Shelby County 27 years and always enjoyed talking to him. Sometimes at the post office, out at the county exhibition building or sitting behind the counter when you walk into the Sheriff's Office. He was always so nice to me and the others with me. He loved Shelby County and its people. I will miss seeing him. He will be greatly missed! John Miller Shelby County Juvenile Court

“ John Jones will be missed in more ways than can be counted. He was involved in so many things that for a long time, people will be saying "Ask John" and remembering that he's not here. Yet, he did his part to train LEADERS to follow him. He touched more lives than can be counted. We will miss him.

“ I never met Mr Jones, but I do know his son, Ken. I know that Ken is a fine, honest person and father, and that he and his family have been through previous heartbreaking times and came out stronger than before. Only those with a strong faith in God and that have been lead by example from the family Patriarch and Matriarch can be pulled tighter together in personal crisis such as you have been through before. Therefore Mr Jones must have been a wonderful person to have been the father and husband he was. My condolences and prayers go out to you all that you will find comfort in each other and the memories you have.

“ There are no "remakes" of this remarkable man. Though Jane and the rest of the family will miss him the most he was a person that belonged to a larger circle. He was a "good ole soul" who cared about many things. He backed it up with solid commitment. He was unselfish as he gave himself to many groups and causes. Above all cause for Christ led many down that same path on which he walked. I loved this man. I will miss him a lot!

“ Jane and all the family, I can not begin to express the sorrow I feel at the loss of John, your husband, father, grandfather. How many, many memories over many years of working with John as a cheerleader, cheer coach, with the athletic boosters, as a member of CUMC. So many, many lives he touched. There are not words to ease the pain of your loss. He touched so many in so many ways. Our prayers are with you... Karen Brasher Sweeney & Dennis
