“ Jonathan and I worked together for the first years of my banking career. He was smart, funny, and a good teacher. We had some wonderful times on the road together. Prayers to his family and RIP, JD.

Jessica and Braden, our sincerest condolences. You are in our thoughts and prayers. Please let us know if there is anything that we can do to help. I have wonderful memories of Jonathan when we were young and playing at JoJo's or the hills around his house. I can't imagine how you are feeling with so much recent loss, but, as Ripton said, we are here if we can do anything and are thinking of you and remembering his energy and humor and spirit. We appreciate and honor his and your service.
