“ Miss Jo was my inspiration for lots of things. I would see her often walking on April Lane in her 90's, sometimes I would walk out with her & a chat a bit, we'd talk about the pear tree in my yard that her family planted many years ago & I would always give her the first fruits every year & once she made me a wonderful pear cobbler. I'd ask her what was her secret to a long life & she said tomatos, I'd laugh because she was quick witted. Miss Jo was always kind & was a sweet christian lady who will be missed very much. Love

“ Jo was such a blessing to be around. She was always our “diva” at our fashion shows. I so enjoyed her stories about her growing up days. She was such a fine lady.
