“ Sorry to hear about Joyce. I worked with her in the ICU at Carraway from 1973 until she made her move to recovery room. There wasn't a mention of her being at Carraway or the year she graduated from Carraway School of Nsg., I'm alumni also. She was a good nurse. I learned alot from her in those early years. I remember that Cindy worked in the pulmonary lab there at Carraway so I recognized the names. I remember she worked those double shifts every week before her off day & when we had a group diet, she won the \$50.00 pot. She was so disciplined.
