“ Hi I'm Mary, Louises Granddaughter I have such fun memories of "Tootsie" as I knew her I thought she was absolutely beautiful I loved all her rings she wore and her laugh she had a great sense of humor and loved being out in the sun. She used to swim with us kids and I remember a couple times she raced with me in the pool a few times and was always just a core memory for me as a child, she will be missed greatly!

“ *My heart hurts with the news of Tootsies passing. She was a dear sweet and loyal friend . We have been friends for 70 years. We were class mates at SCHS from around 1956 and remained friends all these years. I am so very sad and wish I had just one more visit. She was always positive, happy and so much fun to spend time with. Friends and family in heaven are rejoicing to see her enter the Pearly Gates. My prayers are with Danette, Rena , Greg and all her family. I love you, Juanita Tootsie Furney and will never forget you and all the wonderful memories we share!*
