“ My prayers go out to you Adam and the family..Karen was a caring student and she called me Coach Liveoak. Karen called me when Adam was in Brookwood hospital to help because your shunt has stop working. I advise Karen to transfer you to Childrens Hospital. My son had shunts that quick working and my Dr Aronia would have to replaced shunts. I called Dr.Aronia and asked her to help transfer you to Childrens Hospital. Adam your mom transferred you that day and Dr.Aroina tap your shunt and you became alert. You wrote about angels watching. Remember angels will always be with you.
