“ I worked with Kasey on the overland conveyor project he was the construction manager for. He was a great colleague and did so much to contribute to the project's success. I took a photo of him leading a meeting at the site last month when I was there with him and our field team. He will be sorely missed!

“ Kasey coached both of my sons he was a great coach a great dad and a great husband! He is already missed! Kasey coached both of my kids and they would tell you he was a great coach! Always teaching and correcting but never putting the kid down he made them want to play sports and that makes him one of the best coaches!
