“ I remember meeting Kathryn only once in my life, though I feel like we met more than this one time. We are distantly related. Kathryn and my Mother were first cousins. “Aunt Lottie” and my Grandmother Myrtie Bell Hix were sisters. I extend my sympathy to all of Kathryn’s family and friends and know that she was well loved.

“ Mrs. Carey was a beautiful lady from the inside out. Always a pleasure to see her in the office and talk about her Georgia Bulldogs. She was steadfast and determined in the way she lived her life with great faith and fortitude. She will definitely be missed by us all as she touched the lives of so many along her journey through a century of such a productive life. My thoughts and prayers are with her family... May God bring you peace and comfort. 🙏

With my deepest sympathies, Dr. Davidson
