“ I am so brokenhearted about Katie's passing. My heart goes out to her family through this terrible time. Colton was the light in her eyes as well as Collin. Her and I got to be pretty close, she would stay and visit for hours sometimes. I first met her when Alex was a baby 17 years ago and we stayed friends ever since. There has been ups and downs, like everybody has in life. but no matter what, God is in my heart and so was Katie. I loved her and will miss her deeply. Time will heal our hearts. She won't suffer anymore with her pain.

“ Katie will be a person I will always remember from my wedding, and the 6 months before. I still have a billfold size picture of her when I first met her in a picture frame. She always was a fun loving girl. She will be sorely miss by me, and my Family. Earl, Rose Mary, John, Jenny and the rest of the Family I'll be praying for you at this sorriful time.

“ Go in peace dear Friend, you will be sorely missed. We learned the Florence area together; as new fellow techs working in Nuclear Medicine at Keller Hospital. I truly enjoyed the conversations both during and after work hours. She was a very caring and intelligent woman. A blessing to friends and family alike. Love You Girl and sorry I missed your Birthday this year!

“ Katie was one of the best friends I could ever ask for. She had a heart of gold, and never hesitated when it came to helping a friend. I will miss you very much Katie, and you will be in my thoughts everyday. I love you, Kandi

“ Dear James, Colton and Collin I hope this finds you doing as well as you can at this sad time. I know that Katie would want you to remember all the happy memories (and there were a lot of them) and cherish each of them. just always remember her beautiful smile and the laugh that would light up a room. Katie had a good heart and would do anything for anyone. There aren't words that could take away the pain but just know you are loved by family and friends and above all- by God. He always knows what is best " There shall be no night there, and they need no candle: neither light of the sun, for the Lord God giveth them light and they shall reign forever and ever (Revelation 22:5 May God be with you now and always. With love and deepest sympathy Betty Gill
