“ Sorry to hear of Chip's passing. I worked with him out of the Carpenters Union In B'ham, and always considered him as a friend.

“ Although we were not able to make it to the funeral, we want you to know that your family is in our prayers still, and that we pray for peace to be on you as you grieve. I know Adalynne and Peyton will never forget their grandfather because he will stay alive to them for years to come in all the stories and pictures of how much he loved them and how much joy he had in being their grandfather. Lots of love from the White family!
