I just found out about Koa. I will never imagine what you are going through, but I will pray for strength for you. You have always been very nice to me and we have had extensive conversations about how much your family (Koa and Ralph) mean to you. I love you, Susan! If you need anything, please let me know :) <3

“ *The love of our precious Koa was a gift from God. A true blessing to have shared his short time on earth with us. We KNOW he is up in Heaven with his Dad watching over us all.*

“ *I have so many memories that I don't know where to begin. I knew Koa since he was just a prayer. I watched Ralph and Susan pray for a baby for years. God blessed them. I was eating lunch with Susan when she got the call that her baby was going to be extra special. She was upset, but that was short lived. God sent that boy to two parents that were devoted to their sweet Koa. My special memory is that I knew him his entire life. My life is richer because of this.*

“ Precious Koa, although we never met in person I've always felt I knew you. The photos your Mother shared with us always brought smiles. You will forever have a place in my heart. We love you Koa. I believe you are in heaven accompanied by your dad and others who loved you and passed before. May your heart be at rest, may you soar with the angels, may you always be by your mom.

Susan, I am here for you always. God bless you, keep you and give you Strength, Peace and Understanding.

Love,
Emily and son Matthew

“ Koa brought such light to any room he entered and you could always count on him giving you a Shaka sign when you were with him. In church, he had an outstanding voice and knew The Lord's Prayer very well. Koa was blessed to have a loving caring father and the best mom on earth. You will be sorely missed Koa.
