“*Kristi and I were sorority sisters. I can remember her light-hearted, positive spirit during recruitment. Her laugh was contagious! Although I've shed many tears for her life lived too short, I'm thankful I can still hear the beautiful sound of her laugh and see her bright smile in my memories. May peace and comfort surround her family left behind. TFJ*

“*Kristi was such a fun and upbeat person to be around. We became friends when our daughters danced together. She was full of witty and funny comments and kept me laughing. She always had a smile to give and was ready to laugh and have a good time. I know that she truly loved her family and was the kind of mom who would do anything for her kids. I will never forget her and I will keep her family in my prayers.*
