“ Sweet Lanice made such a positive impression on me from the time I was just a child, and on into adulthood. She must have been 19 years old when I moved to Shelby County with my family at 2 years old! Her grace and kindness just drew you to her. AND she could play that piano, and in ANY key! I have so many memories of Lanice, and all of them precious and treasured. To all the Brasher family, our thoughts and prayers are with you at this time. Earth's loss is Heaven's gain! We will see Lanice again!

All our love,
