“ When I moved to Columbiana 33 years ago, I found out the old house I bought was where Larry had lived with his folks for many years. Larry came to do some plumbing repairs and told me he had lived in the house and every time I called him over the years, he would tell me stories about my house. He told me after his mom had passed away, he could hear her at night, walking the old dog trot hall that runs down the middle of the house. I always looked forward to talking to him and asking questions. He will be missed! Marrene Wilson

“ So sad to hear of Larry's passing.
It hasn't been that long since Marilyn left us.
Larry would do anything for anybody.
A sweet person.
And you never thought about him or Marilyn without the other one.
They were devoted to b each other.
In the good and bad times.
They will be missed.
