“ *It was a very sad day when I received the news of Larry’s passing. Larry was a man of great integrity that I am proud to call a friend. He helped launch my sales career as I transitioned from cable operations to sales over 15 years ago as one of my very first customers. I have not experienced another person like him along the way. He was firm, but fair and I always felt obligated to go the extra mile to help him when needed. He will be sorely missed.*

Karen, Byron and Lauren, I pray that God gives you peace as you deal with this most unfortunate time in your lives.

Sincerely,

Jack

“ Dear Riffe Family,

I was saddened by the news of Larry's passing. Larry and I were fraternity brothers at Samford University. As a matter of fact, it was Tracy Pool that notified the Pikes of his unexpected passing. Larry was my Pledge-master in the fall 1977 which was my freshman year at Samford. He was a great guy and I knew he loved sports. He excelled in Intramural Competition at Samford, particularly in football and basketball. Larry always seemed to be in a good mood because he had a big smile that was contagious. My prayers and those of my family go out to you at this very difficult time. May God give you strength and peace today and in the days that follow.

In Christian Love,
