“ I just came across this and wanted to give my condolences to the Vetrano family. I knew Vic in middle school and ran into him a couple times later in life. He was a great guy and I am sorry to hear he has passed.

“ My thoughts and prayers are with Vic's family. I went to school with Vic from elementary school to graduation. I remember Vic always being happy, funny and no matter if someone was having a bad day, Vic would have that person laughing about something before the day was over. He will be missed.

“ From the time I met him (5th grade, I think) til the last time I saw him (parent night at Oak Mtn Elementary), Vic always seemed to have a smile on his face. He happily introduced me to Tera and to his daughter, Victoria...and was wearing a Crimson Tide shirt just about every single time I saw him at the school. I hurt so badly for those who love him the most. I will always remember him with a smile on his face. And Victoria, your friends from Oak Mtn are sending you big hugs. Tera, I'm sending one for you, too. Vic, Roll Tide!!!! Aunie & Lexie

“ I am so very sorry to hear about Little Vic. I have very fond memories of growing up next door to him and his family in Indian Springs. Oh dear, the trouble he, my brother Roby and Larry Jackson would get into! They were a hoot! My family sends many thoughts and prayers to your family.

“ So Sorry, for your loss. Vic was a wonderful guy and well liked by everyone. I went to school with him and can remember him walking down the halls and always nice to everyone. I used to work for his mom in her homeday care center in the summer times. Vic will be missed very much. I will be praying for you and your family in days to come. Just know in your heart that you have a wonderful Angel looking down on you and your children and he will always be in your hearts. We will all miss him very much!!

“ This doesn't seem real. It's too much of a shock. I always liked Vic and his funny uplift of a spirit. He liked to have fun, and to laugh, and be silly. I always respected Vic because I saw his claim to his faith in Christ. AS UP and down as things could go, I recall Vic as a faithful believer in God. That made a huge impact on me. To his wife and children, I am praying for your comfort at this very hard time of heavy grief. Love, Wendy Cicio

“ Even though I walk through the valley of the shadow of death, I will fear no evil, for you are with me; your rod and your staff, they comfort me. Though an army may encamp against me, My heart shall not fear; Though war may rise against me, In this I will be confident. Loved n Missed ever Robert & Hope
