“ My thoughts and prayers are with the Brechin and Gothard family. Leslie was a great woman that lived life selflessly. She didn't meet a stranger and her smile could light up anyone's day. Leslie's life here on earth may have come to an end, but her one life will save so many lives. God made a miracle out of the situation even if it's not what we wanted, but her life will be someone's miracle. Her last act here on earth was to save lives, just as she had done while she was alive. She helped bring so many little miracles into this world. A great Christian, wife, mother, daughter, sister, aunt, cousin, nurse, and true friend until the end, her memories will live on forever. I Love you Leslie and I thank you for being there for me all years I knew you. Roll Shelby and Roll Tide Roll
