“ Ellis Family, It is a great honor to have known Handy Ellis. Handy was the first person I met from the area after moving to Hoover in 2009. He was so loving and accepting. Thank you Handy. He took care of my daughter, Katie, on the bus for special needs children. He encouraged her to be positive everyday. He spoiled her with treats and goodies. One thing I will always remember about Handy was his magical smile. He could make me smile no matter what mood I would be in and Katie too. He was kind, loving, and full of energy. I also introduced him to Caffiene Free Mountain Dew and HE LOVED IT! I will think of him often (every time I see a Diet Mountain Dew:). With Love, John and Katila Farley

“ So sorry to hear of his passing. You will be on our prayer list. We had a lot of good times flying around in the Precision plane. I remember Handy as a fun-loving, kind and gentle person who never had a bad word for anyone. I never saw him in a bad mood. I had lost touch with him for a while. I'm really glad I was able to talk with him and reconnect. He will be missed by all.

“ Please accept my deepest sympathy on the passing of Handy, a dear classmate of mine at Shelby High School and fellow graduate in 1957. Handy and I had many good times together, leaving me many pleasant memories. I know that his family has millions more, and those beloved memories are yours to cherish and relive, forever and ever, time without end. Although Handy may be gone, his indelible memories can never die, and will always sustain you like a cool breeze on a hot summer day, and warm you like balmy sunbeams on a cold winter day. Those warm memories are beyond the cold hand of death or the cruel reach of the grave. They will always be with you, infinite and eternal, endless and indestructible, imperishable and everlasting. "Weeping may endure for a night, but joy cometh in the morning." Psalms 30:5. May God bless each and every one of you.

“ Handy was one of the toughest and most caring people I have ever known. He was my uncle for over 35 years. He took care of my grandmother Marg when she was dying. I will miss him.
