*“ " A life well-lived is a precious gift of hope and grace from someone who has made our world a brighter, better place. It's filled with moments sweet and sad,with smiles and sometimes tears, with friendships formed and good times shared and laughter through the years. A life welled-lived is a legacy of joy and pleasure, a loving, lasting memory our grateful hearts will treasure." Ms. Lillie was a truly remarkable lady. We loved her alot. She will be forever in our hearts. Love To All, Larry, Connie & Keith*
