“ We worked together for about 4 years. My favorite memories are those we shared during a trip in our converted bus. We met in upstate New York and did a northern route including Canada, the UP of Michigan, and the Wisconsin Dells. My sons learned to cook a couple of dishes that they call their “specialties” today! She was brilliant, wise, and kind! I am very sorry for your loss.

“ Dear Clay, Casey and Wesley, I have known your Mom for so many years. We have had fun times and not so fun times. We were at Shiloh Methodist every time the door was open. I loved to hear her sing. She had such a fun personality. Her Mom and my Mom were great friends also. But one memory that sticks out in my mind is when she bought her mustang. We had a great time. She was a great Lady.
