“*I did not know about Lohner Frances until this afternoon. She was one of my favorite people. My first year at Shelby County High School, I asked her to teach two classes of honors English. She agreed. She was a great teacher whether she was teaching English or business education. The summer she retired she came up to the school and gave the school a nice check. I went by to see her not too long ago and she appeared to be doing ok. I pray for her beautiful family, there is any of them that are not attractive. I use to say she and Bob had the best looking children of anyone in Columbiana. May God's grace and mercy comfort all of her love ones. Each of you are in my heart and prayers. I loved her also.*
