“ *I am so sorry for your loss. Lois was a very special and sweet person. I am a high school classmate and member of the class of 68. She did so much to keep our class in touch with each other and organize our reunions. That has been invaluable to all of us. I lost my husband to cancer earlier this month so I truly know what you have been through and what you are experiencing now. My prayers for peace and comfort go out to Bruce and all of Lois' family and many friends.*

Sincerely,

“Lois and I met through laughter It was at Thompson Orientation Day. Our relationship continued through our two years together at school. Lois was my Matron of Honor three years later. We were pregnant together. The main thought is our love for life and each other. We both have laughed ourselves through life, together or separated. I am so grateful to God, for putting Lois in my life! I am so very proud to call her my dear friend.! Bruce, Christie, Mrs Owens I am so very sorry for your loss. We shall all most miss her but we will also be together at the Throne of God, one day.
