“ I’m so so sorry to be reading this. I have had her on my mind all day and then I got on Facebook and read this. But I just want you guy’s to know what a great person she was. We always had a great time together when we moved to Alabama when I was a teenager and when we’d take off walking. I was so happy when we reconnected on Facebook. I will be praying for you all and sending my love and hugs to you.
