“ Louanne Horton was the one person I could turn to just 3 1/2 months ago when my uncle Chuck Smith passed. She held me tight and kissed my forehead and told me don't worry because now he was doing what he lived in a much better place. Louanne was a long time family friend of all of us Smith's and she will always be loved and missed!!!!

“ I went by the Cahaba Market today where I first met LouAnn . She was so sweet and funny and although I went there to buy Vegetables at first , my Daughter and I would stop by just to chat . She made several crafts for us that we will now treasure . I loved running into her at Walmart , CVS or anywhere ! We would talk for 30 minutes catching up . She loved her family so much and loved to talk about them . i remember her being sad at the thought of her baby girl graduating because she thought Sarah wouldn't be her little girl any more .I assured her ,they never stop needing us and they never stop being our babies ! I will never understand why this happened ,but I know she is free now. Prayers for her family and my deepest sympathy .

“ I sure am going to miss you and the spirit and love you have shown me all your life. Thank you for all the times that I've turned around in a storm, and there you were. Especially in the last few years. Rest easy with those we love that were waiting for you.
