“ *Jonathan,*

Margaret really loved and worried about your Mom.

I know you've been through a lot in the past few months and it's been difficult for everyone.

Your mom is finally getting the worry-free rest she deserves.

Take comfort in that knowledge and in the arms of your wonderful family.

“ To the family: Please know that Jeanne was one of the nicest people I ever met and knew. I will never forget our days at SouthTrust Data and our lunches at Catfish Cabin. She made me laugh at her jokes and be in awe of how she drove that silver sports car. Jonathan, you were her heart. May God be with you all at this difficult time.

“ Jeannie always went out of her way to speak to me; I believe she did that with everyone making them each feel special. Mrs. Nance, her mother, always did the same. Jeannie was a very smart lady and did a lot for our community. Her smile will definitely be missed. My condolences to all the family. Elizabeth Whitfield Sherrell.
