Tribute Wall

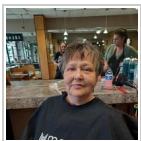

“ Growing up when I would visit over the summer Daddy and Lynda would take me, Penny, Tammy, my Sister and her kids to either Disney World, Six Flags, Panama City, or Gulf Shores. We had so much fun just getting to go places with them. RIP Lynda, I will miss you so much.

“ Aunt "Lynn" raised me like her own. She shared her vacations with me. I will always be thankful for the life lessons that she shared with me. I spent almost every weekend and every summer at her house or with her on vacation. My youth was filled with fun and laughter with her and Uncle Jadie. I will miss her dearly, but I have the comfort of knowing that we will be together again in the company of our Lord and Savior soon. So until we gather together again on that celestial shore together with all of our loved ones gone on before us. I love you and will keep these memories in my heart forever.
