“ *What comes to our mind is spending Thanksgiving at Ben and Carol's. Marcia and Frank were with us and we have talked about that wonderful day many times. It was made memorable because of Marcia's Delicious Dressing. We admired Frank and Marcia and honor their memory.*

“ *We loved Aunt Marcia so very much. For several years, we talked often and shared many stories and laughs. I always admired her zest for life, her endless energy, and her kind spirit. She was just a wonderful person to have around, and I will always cherish my precious memories of her. My prayers are with anyone who is suffering her loss.*
