“ I worked with Buster when he was Branch Manager at USF&G in Raleigh, NC. He was always cheerful and kind.

“ Uncle Buster stood as tall as a mighty oak tree to us as kids. Growing up he would always check in on us in Decatur when he was in town. Our mom's older brother. He always had a watchful eye on his younger sister. Uncle Buster would always have a joke or story to tell. We will miss him greatly. All our good times will be forever in our hearts. 💕 Love, Reynolds children. (Tim,Cindy,Ricky and Tricia.)

I just now found out about his passing. Buster and I had some great times over the years, fishing, hunting and just messing around. I wish I had lived closer to him, so we could have spent more time enjoying our hobbies. He was a great friend, and he was so good to me when I was in the insurance business, and he was the branch manager of the USF&G in Birmingham. I loved him, and will for sure miss him.
