“ Mom: My heart is so heavy tonight... I miss you so so bad! As I was getting precious Amanda to bed, I looked on my refrigerator and saw pictures of you and Pop, and I just began to really just go in shock. I can't believe you are gone Mother. “ It is the saddest time when a mother leaves us; but, for Louise, it is a glorious time because she has gone to be with her Lord and loved ones who preceeded her. I trust you will find consolation in knowing that one day you will be with her again.

“ I came to know Louise after she married my uncle Wallace. Louise was a wonderful person. All the qualities that make us a witness for Christ were displayed through Louise - gentleness, compassion, humbleness, all the attributes that Jesus expects us to have. I am thankful to have known her and will pray for the family that she left behind.

“ Mom: Just got back from the drug store getting Mandy's medications. The thought came across me so strong and I told Mandy that Nanna didn't need anymore meds anymore that she was healed and was with Jesus. I know that 1 day Mandy will not have to be on all the meds she is on, she will be healed and with you and Pop. We will see you and Pop soon Mother. You held on (bless your heart) until I told you yesterday that Mandy had graduated. You had said that was your dream was to see your precious angel graduate.... You saw her in your own special and precious way. See you soon Mom. Love, Tracy & Mandy
