“ I remember Mary Ruth from North Birmingham Elementary and Phillips. She was such a very sweet girl. She was the youngest in our NBM graduating class in 1961. We were all so very young when we went to Phillips, I've wondered since then if it was harder for her than the rest of us, because she was younger. It wasn't easy graduating from high school at 16! We lost touch after that and I hope she had a wonderful life. I know she will be missed, she was a very special person.
