“ I am so sorry to hear about the passing of Michael. I worked with his mother Ms. Ola Hamner at War Surplus Store in Bessemer, Alabama in the 70's. To Sherrie, my deepest condolences. I remember when your first child was born. Your mother was so excited about the upcoming birth of her first grandchild that she would crochet and knit baby clothes for her first grandchild every month. Consequently, you received a box of baby clothes every month for the entirety of your pregnancy. My prayers are with you during this time.
