“ My deepest sympathy goes out to you and your family for your loss. I know the grief and heartache can at times be overwhelming. As you cherish fond memories, please find comfort in Almighty God's reassuring words at Psalm 34:18 that He is near to those broken at heart and He saves those crushed in spirit. For this reason, Revelation 21:4, 5 mentions a time when soon He will end all sickness, death, pain and sorrow. What a wonderful day that will be!

“ I worked with Mike a number of years at General Electric. Mike was a good worker and a friend, he will be missed. And for those of you who knew him I bet he is driving a ice cream truck around now on the streets of gold.

“ I have fond memories of Mike; he and I graduated from Danville together and briefly worked with one another at Home Depot. I lost contact and hated to hear of his passing. My heart goes out to the family and my prayer is that God gives you all strength to see you through your pain. I'm glad to have the honor and the priviledge to have known Mike and to call him my friend.

“ Deepest sympathy to Mike's family & friends. We worked for GE & attended Calvary Assembly of God. He was also one of my pre-hire instructors. He & Hoyt gave us a good introduction to GE. I hadn't seen him for a while but, I thought of him from time to time. May God be with you all.
