“ How saddened I was to hear of Uncle Mike's passing and wish I could be there with all of you tomorrow. I remember so clearly going to Albany as a young child and having pancakes on one of the lake screen porches. And Aunt Agnes' Dobermans barking at us! It is a very pleasant memory. LOL!! Uncle Mike definitely had the dry "Hassett" sense of humor that both my sons inherited. He was very proud of his time in the military and shared stories of playing baseball with his soldier buddies while overseas to my family. He was loved and he will be missed!
