“ *I spent as much time is Buck's home growing up as I did my own. He was a second father to me. He always treated me as one of his own. Kristy is my sister-from-another-mother. I felt like one of the family. My heart is heavy with the news of his passing. I know that he will be greatly missed by his family and friends. We can be comforted in knowing the he is rejoicing and singing with God in Heaven now. He is still with us in our hearts. I can see him sitting around the table in Heaven with my mom and dad having pie and coffee, catching up with stories about their lives, kids and grandkids. Mickey, Ricky, Kristy and Toby, you are all in my thoughts and prayers. May the days ahead be filled with the joy of his legacy.*
