“ My Uncle Bud, wasn't just a good man, he was also a brave selfless man, that loved God and country, where he served US Air Force, and he also worked as a airplane mechanic for Boeing many years where, I believe he later retired. He has always been a strong constant fan in my life, He loved his children and grandchildren and great grandkids, his wife. I loved him very much, and will miss him so much. He had a profound affect on my life, I love ya Uncle Bud, till we meet again.

“ My husband and I are truly saddened to hear of Bud's passing. We got to know him through our gourding classes but it didn't take long to realize what a great guy he was. His personality attracted others to him and we grew to appreciate his ability to take things from nature and just make them work! He could live off the land like no other I know! Mary, you and he made a great team, and our heart hurts for you and your family. Just know that we'll keep you in our prayers. Love you, Karen and James (Pebo) Stone.
