Tribute Wall

“ Dear Sweet Momma, It saddens me greatly that In my absence you have passed and life is short here and as time and the space between us here has kept us apart at the end of your beautiful life, I know we soon shall all be together again very shortly in heaven where we will not be bound by time and space as in this mortal life, and we share our love forever ! Of the many things my mother taught me, the most important is Love and to love each other and to Love God ! I shall always cherish our memories of reading together and all the times that you showed me love, kindness and compassion that only a mother knows for her Son, I will love you forever sweet mommy and though we could not be together in the end I take comfort that I will soon see you in heaven, and we shall dwell together forever in our love within the house of the Lord our God ! And god please be with Uncle Marlin, Rebecca, Cary and the sweet children Olivia and Ian of which my sweet mother, their grandmother found great comfort and joy in her last years, In time our loss and pain shall heal and I will see you all very soon ! I love you all ! God be with us all ! Goodbye sweet mommy I will see you soon.

“ I've known Miriam my entire life. She was like a sister to me. Always there for me. I hope I was half the friend to her that she was to me. I will miss her greatly.
