“ Eddie, Shelia, and Sandra, You know how much our hearts and love go out to you. Having lost our mothers and father not that long ago brings good memories of them all along with the sadness of their passing. We were so glad that we were able to see Aunt Myra Nell she was so beautiful inside and out and we have great pictures of her from when we where down last. We have one favorite picture of her early in the morning in her red velor robe - she just didn't want to miss seeing her brother! We are very fortunate to have known her and been part of her family. God Bless you all Children Spouses, and Grandchildren.

“ I express my sympathy to the family of Myra Nell. When she was a little girl, my father, James W. Merrell, would buy chances on a lottery-like board she was selling when he would stop at her father's house. And when she suffered the heart-rending loss of an infant child, while directly across the road from us in Shelby, I was very saddened by the tragic accident when a car unknowingly backed over the baby. Despite her suffering, she is at peace now. May God bless the her family.
