“ She was a vision in yellow. I was at work and happened to look out the window. She had her hand on her yellow hat because of the windy day we were having. All of her frills of yellow chiffon started blowing all around her right down to her yellow shoes. This special lady had flair! Vickey had brought her Mom to see the doctor I worked for. It was a absolute pleasure to meet her. I enjoyed talking to her several times after that. I went to another job and much to my surprise got to be with Vickey again Cassie too. Ms Myrtle even made me a hat. Such a wonderful lady who totally marched to the tune of her own drum. My prayers are with her family.

Sincerely,  
Sherrie Rich Lutz
