“ I am so sorry to hear of Lynette's passing. She was our neighbor for many years when I was growing up. I always thought highly of her. My sincere condolences to Donald and all her family.

“ The memorable was when I had appendicitis! It was so fast but she was with me all the way. I remember surgery group and Lynette waiting on elevators. She prayed with me. I was already medicated and pretended I was talking to God though a phone.
