“ I am so sorry to see Nan's passing. She was a wonderful person and full of personality and laughter. Nan and Rabbit were very special and loved by so many. Lots of memories for me and my family. Praying for those left behind, Lee Ann Goodwin Sketoe and family.

“ My deepest condolences to Nan's family. I got to know Nan living here as neighbors and we discovered we were distant cousins which gave us a lot to reminisce about on the days that I would stop by and sit on the porch with her. I only wish I had done that more often. She was a sweet person and I know that she is no longer suffering anymore but with our Lord Jesus Christ and and I know I will see her again one day soon. So very sorry for everyone's loss.

“ *Nan was my soul-friend, soul-sister. We shared so much in approximately 67 years of Friendship. I had the greatest respect for the woman who stood tall in a world so dark. I will miss her everyday until we meet again. I love you my sister. Rest now with our Lord.*
