“ *Your Daddy was a good man, never seen Nathan not smile at anyone he loved everybody. Him and my Daddy was a lot a like in that way they had so much love inside them that it was like a magnet drawing people to them. I have never even heard anyone say anything bad against Nathan and that's amazing in itself. He loved and took care of his Family and always there for you all with that beautiful smile he had, He will be greatly missed and his legacy will live on forever his great great great grandchildren will tell people about there grandpaw even though they didn't know him because of people telling them the kind of man he was. I'm so sorry Isom and me couldn't be there but know that your in our heart and our Prayers, we love you all. May our LORD JESUS CHRIST give each one of you HIS Peace that surpasses all understanding.*
