“ I don't know if this is the Nell Henderson I knew many, many years ago - since it did not list her past accomplishments. The Nell Henderson I knew worked at Martin School. In any event, condolences to you and your family

“ Donna and Toby, your sweet, sweet mother will be missed. I have such wonderful memories of her and your father. Nell was my first beautician, taught me how to jitterbug and was always ready with a kind word and a smile. Mother will be lost without her to talk with and share precious memories about their ceramic adventures. Our comfort is knowing that we will see her again in heaven. Love to your families!
