“ John, Kelly, Wes and Jana, Your wife, mother and grandmother was a most wonderful person and brought many hours of pleasure into my life even though she was undergoing treatment. There are so many special memories for you all to hold on to. I know for I just lost my husband, Jerry, on the 5th of October and I am struggling but holding onto the precious moments that we shared. "Weep not for me in death for I have just begun! My soul abound at last speeds homeward toward the "Son". Precious in the sight of the Lord is the death of His saints. Psalm 116:15 Know that I love you and my prayers are with you during today and forever. Jeanne Acton

“ As a boy in elementary school, one of my vivid memories was getting half of my good friend Wesley Goolsby's fried bologna sandwich. His mom would make him one for a snack. Once I went over to Wesley's house and she made a whole one for me. I never forgot that, and it is a wonderful memory. I am thankful for Wesley's mom.
