“ My name is Christy Farrow. (Actually My name is Christy Miller).

I really don't know why I am writing anything because (I was very young when my mom and dad and I moved to Texas) I don't really remember Paula. But I've heard a lot of great things about her.

Anyways, I do know that we are family and even though I was not able to be around the aunt's and uncles and cousins (cuz of things out of my control).

I feel like I have been around Aunt Paula for years..

You all are in my thoughts and prayers 💕🙏💕.

Love ya 🤞 fam ❤️

Love Christy Miller

“ My precious childhood friend. Even as children, I remember her caring attitude toward our classmates. She always tried to lift others spirits. We worked together for 30 years and I saw her sweet spirit as she cared for her patients and coworkers. She loved her Lord and she showed it through her praise and worship and everyday living. God has called a true saint home to her reward. I know Jesus greeted her with “well done”. Rest in Peace my friend.
