“ To know Ms.Pearlie was to LOVE her!
We have had so many memories in such a
short time. I hope you're enjoying that nice
sunshine in heaven, every day is sunny
there.... No rules....

If heaven has a Dominoe Table- I know you will be sitting right at it.

“ It still seems unreal that she's gone but I know she is. 101 years old
but looked 75. Lol. Pearlie aka “Granny” would be so sassy and
feisty at times but then she'd turn right around and be the funniest
and sweetest thing. I've def had some priceless moments with her.
It was an honor being able to take care of her for the few years that
I did, because in that time she truly became more than a patient,
she became family.

Love you always,

Tiffany

“ *Ms Pearlie was a beautiful lady. She was funny and a pleasure to
take care of her during her last couple of years. She had a ready
made family in her caregivers. We will miss her smile and she loved
herself some coffee. She was loved. Rest easy Pearlie.*
