“ Dear Family of Mr. Mitchell, We want to express our deepest condolences at the loss of your beloved father, grandfather and great grandfather. I know that he has had challenges for quite some time and Trinity shared her concerns with me. I know that he was well loved and will be greatly missed. There is so much to say about a man who was so revered by his family. God be with you all as you grieve your loss.

“ First, I want to say to the Family, I'm praying for comfort for you all, and sorry for the loss of Mr. Jack. I come to know Jack and Virginia when I become a renter from them back in 1990. What a wonderful man Mr. Jack was. I was only 19 years old and had just moved out of home for the first time and was lucky enough for Jack and Virginia to give me a chance to rent the little house beside them. They where so nice and helped me like I was one of their own grandchildren. I will never forget the kindness Mr. Jack showed, He was always their when I needed him. And Mrs. Virginia what a "Angel" she is. These kind of couples are hard to come by. Thank you for all you did for me. I will never forget you and Hope to see you again in Heaven. Mrs. Virginia, I will be praying for peace and comfort for you and your family.

With Deepest Sympathy,

“ Dear Virginia and family,

Please accept my sympathy for the death of Jack, whom I remember from the 1950s when I was friends with Jack's younger brother, Reeder.

It has been many years since then, but I've always remember Jack and Reeder with fondness, sitting on the broad front porch there in Shelby.

I know this is a difficult time for you, but you have Jack's memories to sustain you in the coming weeks and months ahead, memories of his life that will never die, but will live on for ever.

May God grant you peace and comfort during this time of bereavement.
