“ Rachel is pure love and light. When I began dating her son Nikola, he received a cruise trip to Jamaica as a birthday gift. Well since I have 3 kids who are in school it was going to be impossible for me to join him. We barely knew each other at this point (I asked my parents and family for help but no luck), but Rachel and Brian drove 12 hours down to Naples and stayed with the kids so I could join Nikola on his cruise. Brian, I know you helped out, but we all know it was Rachel's idea 😂 Anyways she was just that kind of person that brought immense happiness and kindness into everything she did. Rachel loved giving gifts, and I don't know how she would do it, but she managed to get the most perfect, unique things that only I know how to get myself, every time! My most favorite memories are from our trip to Tellico, TN. We laughed, cried and everything in between. We were not prepared for those rapids, I think Rachel ordered some tubes on the internet for the kids 😭 half of them popped, Rachel's engagement ring was lost in the river in the process (Brian, I say we go back and find it, you promised) My daughter Aurora had to sit on Rachel since she didn't have a tube anymore and ended up peeing (twice) on Rachel because she was too scared to get off 😭. I'll miss hearing her laugh so much. Grateful for all the good memories we made in the short time we were blessed to have her in our lives.
