“ Last Friday, Mr. Randy, my dad, and myself all jammed out to “Big Girls Don’t Cry,” and I don’t know who was singing louder.. me or Mr. Randy. There was never a dull moment with him. His energy filled a room. The lake won’t ever be the same that’s for sure. We all miss you already and hope you’re at peace ❤️

“ A friendship like we had is hard to find. From the first moment we met, after the ‘Willie Robertson’ mix up, we shared a bond that is rare to find. A ‘bromance’ had started and will carry on in my heart until we meet again. Fly high my brother . I love you man! Jason

“ *Kathy and I are so heartbroken following the death of a friend. We met Randall (Boom) in 2018 and spoke to him almost daily mostly though text but also the phone and on our online gaming community. Boom and I had alot of things in common. We both served in the Army and both were in law enforcement. I suffer from PTSD which was another thing we had in common. I wish I had texted him on Monday night maybe this tragedy would not have happened. We cannot change what someone else has in their heart or what they intends to do to us but knowing Jesus and having him in our lives is all that really matters. We miss you Boom! You will never be forgotten. You have made an impact on our lives.*
