“ I was sorry that I did not get to visitation or the funeral. I know that Ray had been sick for a long time. I always enjoyed him and he was such a nice person and will certainly be missed. I send my sincere condolences.

“ Dear Retta and Family I was saddened to hear about Ray. The Ray I remember was young, strong, and funny. I remember going to his house while he was out of town and a bunch of us girls were sleeping over with Retta. There was a jar of pennies in the spare bedroom with a sign on it that said something about "When the jar is full, there will be a little Ray." I thought it was sweet that they were headed in that direction because they enjoyed being with children and I knew that they would both make great parents while being young enough to do things with them and see them grow up and then be great as grandparents. Please know that you are in my prayers in asking God to grant you a sense of peace that no one else can give you. I was blessed to have Ray as a mentor in my younger years. Mostly, I will remember riding the church bus on different youth trips with both he and Willard Holcombe taking turns driving. They were always laughing and cutting up like two school boys. The two of them are probably swapping tales right this very minute. My heart goes out to you Retta and I thank you too for all the good times that you gave us and for spending time with us when it was probably the most influential times of many of our lives....May God bring you peace and healing. Love, Peggy

“ Dearest friends, it sadens all of us that you have lost your loved one., this time of year dosent make it any beter, as you know we ourselves have experienced this loss so many times in our families, it never gets easy, you will have good days and you will have bad days , but remember the good times , do not look at this as a good by, it is a new begining in your father and husbands life., he has a new body and he is not ill anymore ., he is walking on streets paved with gold., he is going to have his first Birthday Party with" Jesus" and I can't even emagen what this must be like. Do not cry for him , for he is a new creature in Christ., and you know your father and husband was a good christian man. He was a good friend to many but most of all" God' put you together as a family., He gave you, Reta to Ray, then he gave you Parish and Landon and new members of your family. God hand picked who he knew you needed in your life.,, Love and remember., keep those good times feeding the deer, building the tree house he will never leave you he will always be with you all., love to you , Vanessa, Charlie, Lance, Adrian Brown, Monica, Lee, Nick, Mattie, and Sidney Charles Clayton.
