“ So sorry to hear of Raymond's death. Aside from being a beloved elder member of the family, Raymond deserves to be honored by all for his service to our nation during World War II, when so many American boys gave their lives for the freedom we enjoy today. Not enough of us remember and appreciate their brave sacrifices for us. Without their heroism, we might be living under tyranny today. God bless Raymond's dear family, today and always. God bless Shelby! And God bless America!
